TUTORING COURSES:

-ERP; Management of ERP system and Applications
-ERP II (Extended ERP Applications: BI Business Intelligence, CRM, SCM, APS)
-Computed Aided Project Planing and Management (Ms Project supported)
-Advance Microsoft Office Applications
-Inroduction To Computer Sciences
-Logistics Management, Supply Chain Management
-Production Planning
-Modern Üretim Teknikleri
-System Development
-Strategic Planning

CLUB/ASSOCIATION MEMBERSHIPS:

Turkish Informatics Association (TBD), Turkish Chamber of Mechanical Engineers (TMMOB), Turkish Logistics Association (LODER), YTUMED, SEMDER,

HOBBIES:

Cinema&DVD, Music, books, body building, chess, tennis, dance, playing guitar, swimming, waterpolo, web designing, table tennis, computers, surfing the net.

ADDITIONAL INFORMATION:**PROFESSIONAL INTERESTS:**

Management and organization. ERP Systems. Process management. System analysis and business development. Design manufacturing, construction, and installation procedures. Microsoft applications (installation, helpdesk). Business applications on Windows operating systems and Ms Office. Quality Management. Container transportation&Forwardering. Logistics Management. Supply Chain Management. SCOR (Supply Chain Operations Reference Model). Strategic Planning. AHP. TOPSIS. Marketing strategies. CRM. Management information systems and computer systems. Plan and formulate the sales strategies and applications using costs, equipment and manpower items. Develop and implement monitoring methods and procedures such as project report and staff conferences. Consulting. Work study and analysis. Simulation. Project planning and scheduling. Production/Operations Management.

SEMINARS:

16.09.2009	SAP Technology Fair – Lütü Kırđar
04.07.2008	Elsys SAP Solution Manager ve CRM– Conrad Otel
03.06.2008	Enterprise Softwares 2008 -2.İstanbul Bilişim Kongresi - TBD – Harbiye Askeri Müzesi
